Instructions for using the Certified Contractors List

This file contains a listing of all Registered Apprenticeship Program (RAP) Sponsors who meet the requirements to be listed on the Certified Contractors List (CCL) as per Colo. Rev. Stat. § 40-3.2-105.5; 40-3.2-105.6; 40-42-107.

RAP Sponsors who are listed on the CCL have a proven record of graduating apprentices (per Colo. Rev. Stat. §24-92-115); are registered with the Colorado State Apprenticeship Agency (SAA); have been providing training for at least six months; and the program occupation is mechanical, electrical, or plumbing.

To find an employer associated with a specific RAP Sponsor, please follow these directions:

- Navigate to the [Colorado Registered Apprenticeship Programs Directory](#)
- On the left side of the screen under “Filters” select the “+” next to “Program”.
- In the search box type in the name of the RAP Sponsor. Select the name of the sponsor which appears beneath the search box, click on “Filter”.
- In the new screen, expand the RAP Sponsor’s directory entry by clicking on the  located on the far right of the directory entry.
- In the new window, click on “Employers,” which will open a list of employer partners associated with the RAP Sponsor on the CCL.

If a RAP Sponsor or employer partner/contractor is not found on the CCL and believes they should be listed, they should first verify that they can request to be added to the Certified Contractor List by completing the [Certified Contractor List Verification Form](#).

An employer/contractor may request a letter from Apprenticeship Colorado to verify their eligibility for the Certified Contractor List during a specific time period. If this is required, please submit the [Certified Contractor List Verification Form](#).
